

Block Exchange August 2006

SUMMERTIME FUN

August...time for the last of the summer blooms...vacations...new school clothes...and CRAYONS! You've bought the kids or grandkids all the back-to-school necessities, you even bought some to bring to the meeting for the Valley Community Center, but did you treat yourself to a new box of crayons??? You will need them to create this month's block. On the next page you will find directions and tips for this technique.
